**Ehrich Bros. Ehrich Bros.****Here's a Suit and Cloak Showing**  
*Full of the Season's Highest Beauty.*

Paris has conjured nothing of greater beauty than is represented here. From the very first you've shown keen interest in this season's exposition of handsome garments. Increased sales and greater enthusiasm can be attributed, in part at least, to our earnest endeavor to attract and satisfy. Salesrooms have been broadened and beautified, selling facilities increased and every suggested point of betterment has been carried into effect. We ask your attention because the showing deserves it. You serve your own best interest when you come here to view it.

**A Word of Timely Millinery.**

News comes from the second floor Millinery parlors of an exquisite showing especially prepared for Horse Show week. Real mink, Persian lamb and chinchilla hats are, perhaps, the most noteworthy of these latest creations. These at \$15 each have always been considered excellent value at \$25. The offer demands immediate attention.

**Two Mammoth Clothing Purchases**

The Entire Overcoat Stock of B. B. Goldberg, 787 & 789 Broadway, and Singer & Schiff, 10 West Fourth Street.

Good to the highest degree of perfection attainable in clothing manufacture. Say that of every garment in this sale and you have the exact truth. Yet prices are almost half of regular retail value and less than usual wholesale worth. Both firms have become widely known for the superiority of their output. Backward weather spoiled overcoat sales and left the maker overstocked. Partnership changes forced a quick disposal of the Singer & Schiff stock. Ready cash enabled us to take advantage of both sales. The real advantage is yours. Following offers prove it:
